PRO-LIFE FACTS

The Parliamentary Justice Select Committee after considering 35,000 written submissions with 90% opposed to euthanasia will soon deliver its report to Parliament on the End of Life Choice bill. This will be followed by the second reading of the bill. We all have a duty to

defend the lives of the most vulnerable members of our community, the aged, the disabled and the seriously ill. Euthanasia is about doctors killing their patients or assisting in their suicide. Right to Life encourages you to contact your local MPs to ask them to vote against this dangerous and evil bill. **For more pro-life information, visit www.righttolife.org.nz**
