IF YOU ARE GOING INTO HOSPITAL...

It is important when a family member enters hospital, that their next of kin or carer, makes sure they are registered as Catholic.

Due to privacy laws, some hospitals do not now provide names of Catholic patients to our Catholic Chaplains. So if a patient or a family wishes to see the Catholic hospital chaplain please ask the ward staff to ensure that the chaplain is contacted.

If you know you will be entering hospital then you are able to ask your parish priest to anoint you prior to going into hospital.

A Catholic priest is always available for urgent calls by asking hospital staff to contact him.
